HALLOWEEN: The parade on Saturday afternoon was well attended. Coopers Pond, Haunted Halloween, Fri and Sat. Oct 25,26. The Committee had much discussion on this at the September meeting but, between that meeting and the actual happening there had been changes made without Committee input (once again). After much discussion at this meeting, it was decided we learned some valuable helping points for next year. There were disappointing mishaps this year, like times were there were few to no people waiting and we had turned others away cause they didn't have a scanned code and we couldn't make a waiting line. So, lessons learned. Complaints made, Also, other events were taking place at same time, may need to check calendar closer. It was good weather and those that got through it had a scary experience. Which was a good thing.

VOL. COACHES CLASS: THE NEXT COACHES CLASS WILL BE WED. DEC 4, FROM 7-10 PM. MORE THAN LIKELY AT BHS.

THE NEXT MEETING WILL BE; NOV 25, 8:00

Respectfully submitted, Mariann Canino, Secretary
