### MESSAGE FROM MAYOR & COUNCIL

As we step into the warmer months of July, August, and September, I'm delighted to share the exciting lineup of events and programs that our town has in store for you.

First and foremost, our Recreation Department's Summer Program is now in full swing! I can attest the children attending the camp and the counselors are having an amazing time.

Additionally, the Bergenfield Public Library has curated a fantastic array of events to keep you engaged and entertained throughout the summer. From book clubs to children's Storytime sessions, there's plenty to explore and enjoy for all ages.

Don't forget to cool off at our splash pads, which are now open for the season. It's the perfect way to beat the heat and enjoy some refreshing outdoor fun with family and friends.

One of the highlights of our summer calendar is the ongoing summer concert series at Cooper's Pond. These concerts have been a huge hit in the past, and I'm confident that this year's lineup will be no exception. Be sure to mark your calendars and join us for some unforgettable musical performances in a beautiful outdoor setting.

As we all know, with school out for the summer, our roadways can become busier than usual. I want to urge everyone to exercise caution and patience while driving, especially in residential areas where children may be out playing. Let's work together to ensure that everyone stays safe and enjoys a wonderful summer season.

Finally, I'd like to extend my gratitude to everyone who participated in our Mayors Wellness program. It was a tremendous success, thanks to the support and enthusiasm of our community members. Your participation helps make Bergenfield the vibrant and close-knit community that it is.

As your Mayor, I am committed to making Bergenfield a great place to live, work, and play. I encourage you all to take advantage of the many opportunities for fun and enrichment that our town has to offer this summer.

## Building Department

*More and more people have been investing in Electric cars. When you purchase an Electric Car, you will most likely want to install an EV Charger at home. We suggest this work be done by a NJ Licensed Electrician. There are regulations and requirements to follow. The first requirement is the submission of an Electrical Permit Application. Our Electrical inspector is responsible to do a plan review of your application for your safety. To complete an accurate review, you must provide the following information.*

1. Provide the specifications including labeling and listing for the charger being installed.
2. Is this an outlet or a hardwired unit? See section 625.43-disconnecting means & 625.54-GFCI requirements.
3. Is there a generator on premise? Will the EVC be load managed?
4. Provide current service size and a load calculation including the chargers at 100% & 625.42 Rating.
5. Provide load calculations on panel that will be providing power to EVC.

If in fact the EVC was installed WITHOUT permits in the past, the installation is subject to the current code accepted at the time of the application.

625.43 **Disconnecting Means.** For equipment rated more than 60 amperes or more than 150 volts to ground, the disconnecting means shall be provided and installed in a readily accessible location. The disconnecting means shall be lockable open in accordance with 110.25.

625.42 **Rating.** The power transfer equipment shall have sufficient rating to supply the load served. Electric vehicle charging loads shall be considered to be continuous loads for the purposes of this article. Service and feeder shall be sized in accordance with the product ratings. Where an automatic load management system is used, the maximum equipment load on a service and feeder shall be the maximum load permitted by the automatic load management.

625.54 GFCI- Ground-fault Circuit-Interrupter Protection for Personal. In addition to the requirements in 210.8, all receptacles installed for the connection of electric vehicle charging shall have ground-fault circuit-interrupter protection for personal.

### **CODE ENFORCEMENT**

#### Yard Waste Pick Up

Registrants shall remain on the No-Knock List for a period 5 years.

To Register please come to the Clerk's Office in Borough Hall.

## HEALTH DEPARTMENT UPDATE

In New Jersey, it's mandatory that dog owners have their pets licensed. A license tag helps police, animal control and shelters quickly identify your dog or cat and get them back to you safely. Licensing your pet is important; as it controls the spread of Rabies, ensures when dog bite occurs, the town can quickly identify and immediately determine whether the animal is up to date on its Rabies vaccine. Applications are available online.

Board of Health Meetings will be held every 2nd Tuesday of the Month via Zoom . No Meetings during the months of July & August. The Zoom link will be posted on the Borough Website.

The Health Department offers vaccines to children under the age of 18 with NO HEALTH INSURANCE who are Bergenfield residents.

**REMINDER TO ALL RESIDENTS** :Keep grease out of the drains - Collect Fat, Oil and Grease and put it in Grease Recycling Bins. Scrape grease and food from plates and cookware into the garbage before you wash them.

Walter Lubbe Jr. and Ross Applegate Playground are wildly popular in the heat of the summer. The sprinkler parks are large and open and consists of rings that kids can run through and get sprayed. The playground is partly fenced in and features swings, a rock wall, monkey bars, and bouncers. There is also a covered picnic area for those wishing to brown-bag it.

**BOCCE**

Come play bocce at the bocce courts in Veterans Memorial Park Bergenfield, NJ on Old Bridge Road. We are an activity of the Bergenfield Recreation Department. We play bocce every Tuesday & Thursday afternoon from 12:30 to 2:30 and evenings from 5:30 to dusk. It's a fun game that's very easy to learn. We have a supply shed at the courts for storage, snacks & water. We also have tournaments with other bocce leagues; we make this tournament a picnic as well.

### Bergenfield Police Department: Summer Safety Tips 🚓

- 1. Traffic Awareness:** With more people out and about during the summer, be mindful of pedestrian and bicycle traffic. Obey traffic laws and watch for children playing near roadways.
- 2. Home Security:** Keep doors and windows locked when away from home and consider installing security cameras or an alarm system for added protection.
- 3. Please observe all parking ordinances.**

By following these simple tips, you can enjoy a safe and enjoyable summer season in Bergenfield. Stay safe, stay vigilant, and have fun!

## SAFETY TIPS

From BVAC

What should you keep in your first aid kit?

A well-stocked first-aid kit can help you respond effectively to common injuries and emergencies. Keep at least one first-aid kit in your home and one in your car.

### Basic Supplies

• Adhesive tape	• Scissors and tweezers
• Elastic wrap bandages	• Hand sanitizer
• Bandage strips and "butterfly" bandages in assorted sizes	• Antibiotic ointment
• Aluminum finger splint	• Antiseptic solution and towelettes
• Instant cold packs	• Eyewash solution
• Cotton balls and cotton-tipped swabs	• Thermometer
• Disposable nonlatex examination gloves, several pairs	• Sterile saline for irrigation, flushing
	• Breathing barrier (surgical mask)

### Medications

• Aloe vera gel	• Hydrocortisone cream
• Calamine lotion	• Cough and cold medications
• Anti-diarrhea medication	• Auto-injector of epinephrine, (if prescribed by your doctor)
• Laxative	• Pain relievers, such as:
• Antacids	acetaminophen (Tylenol)
• Antihistamine (e.g. benadryl)	ibuprofen (Advil, Motrin IB, others)

**BUT FOR MEDICAL EMERGENCIES, DO NOT HESITATE TO CALL 9-1-1**

Stay informed!  
Phone Alerts  
To register for ROBOCALLS from the Borough of Bergenfield with urgent messages for residents.

## PSEG

Scan here for a report an outage, gas leak, or to see outage map.

### What to Do During a Power Outage

Find out how to stay safe after you report a power outage.

Checking the cause of your power outage:

Your power may be out due to a utility issue or because of a problem inside of your home.

To check if the problem is in your home, locate your fuse box or circuit breaker box. If the surrounding area is clear of water, proceed to the box and ensure that none of your circuit breakers have tripped (indicated by the switch being in the OFF position.) Don't forget to check your main breaker switch as well. Blown fuses may be indicated by broken wires or scorch marks, but not always.

If the problem doesn't appear to originate in your home, check to see if your neighbors have power. If not, report the outage immediately.

# Donate Your Reusable Bags!

## COLLECTION BIN @ DPW

### Donate Your New or Gently Used Reusable Bags

Bags are sanitized and distributed to local organizations

Help the environment and those in need.

Donated reusable bags are cleaned and serviced by GOATOTE and redistributed to food banks, food pantries, and those in need.

GOATOTE ensures that bags that cannot be recirculated are responsibly recycled.

## ATTENTION

# NO WIPES DOWN THE PIPES

Even if a product says its "flushable" unless it is toilet paper, it should not be flushed! Please avoid flushing wipes down the toilet to prevent backups into homes and businesses. These incidents are entirely avoidable, yet backups are occurring more frequently.
